Actuary

We have openings for candidates with suitable experience. We are seeking for interested and suitable candidates to join us. Submit your application to people@actomate.ai and we will be in touch shortly.

This position is suitable for you if you are seeking for:

- results-driven problem-solving fast paced work environment
- work variety including business-as-usual work, one-off projects and client secondments
- local and international work exposure with occasional international travel
- professional and supportive environment to practice as an actuary
- an environment committed to continuous process improvement
- high level of active stakeholder engagement, working closely with senior management, board of directors, regulators and auditors of our clients, and our team of actuaries and analysts

You will get:

- to lead a variety of challenging tasks to support our actuarial work and general business initiatives
- to work closely with our team of highly qualified professionals with vast global experience
- to develop your technical knowledge and thought leadership in actuarial work
- to develop your business acumen and soft skills including time management, communication skills and people skills
- flexibility in working days and work hours – flexible time off with no fixed working hours
- flexibility in working location – onsite, hybrid or remote work arrangements are possible
- wellness benefits

You need to:

- be a fellow member of the Society of Actuaries of Indonesia (FSAI)
- have actuarial hands-on technical experience
- have strong people and communication skills
- be highly proficient in both Indonesian and English
- have strong technical and practical actuarial skills
- have strong people and communication skills
- share our values – Can Do, Progressive, Open Communication & Professionalism

About Us

Actomate is a technology-focused actuarial firm founded in 2015. We are the first and only actuarial firm awarded MD Digital Malaysia status by the Malaysian government, a mark of world-class achievement and service. In 2019, we received the Top Actuarial Firm in Asia award from Asia Captive Review, and in 2020, we were accredited with the Quality Assurance Scheme by the Institute and Faculty of Actuaries (IFoA). In 2023, we won the SME100 award from the Small and Medium Enterprises Association of Malaysia (SAMENTA). Additionally, in the same year, we established an affiliate company in Indonesia to better provide exceptional services to businesses in Indonesia. Actomate is a diverse, fair, and inclusive workplace.
